Save The Children

As you know we do have the occasional fund raiser for this charity. We are hoping to be holding the Summer Tea Dance in June, with the kind permission of David & Anne Cove allowing us the use of their beautiful cottage garden. I will let you know the date when it is confirmed.

National Save the Children week in April 25th to 29th April 2011. We have been very lucky & been given permission to collect at the Ikea store. We are looking for volunteers who could give a couple of hour during this week to help collect. We usually collect in pairs, so you can come as a couple or individuals. It is a really good charity who does a lot of work with children in the Uk & over seas. If you would like to help this worthy charity please let me know. If you would like to help, but are busy on these dates we have also been given to opportunity to collect from the 17th to 23rd of December. Last time we collected at Ikea we collect £1300 so you can see it is something well worth doing.

NEW WEB SITE

At last I have joined the 21st century & now have a dance school web site. I must admit a lot of this is actually down to Paul, as I am a bit of a technophobe. You can now check out events times, dates of class. We also have a gallery of Photographs from events. If there is a photo on the site you would like me to remove please let me know. Please have a look around and let me know what you think about it.

If you only wish to attend the hour of tuition, the class will be £4.50 I have tried to keep prices as low as possible and have not increased them for over two years.
