Save The Children

We Need You

We will be collecting at Ikea from 27th April To 3rd May . There are a lot of hours for our small hard working group to cover . This is where you can help if you are free at any time during the day or evening & would be be able to help, that would be really good. If you can only manage a couple of hour on one day that would be a great help. If you can do more even better. Every hour we can cover means that we can raise more funds to help children not only in foreign parts but also in this country too.
